Let your merciful ears, O Lord,
be open to the prayers of your humble servants;
and that they may obtain their petitions
make them to ask such things as shall please you;
through Jesus Christ your Son our Lord,
who is alive and reigns with you,
in the unity of the Holy Spirit,
one God, now and for ever.

Amen.

Church Family News:

Thank you

Thank you to everyone who has kindly supported me with prayers, good wishes, cards and practical help during these past few weeks. I am now at home and met with the oncologist on Monday morning to discuss further treatment. Best wishes to you all. Doreen White.

Thank you from Matthew

Thanks so much for everyone's kindness on my final Sunday service. You showed such love to myself and my family. We are so grateful for the kind and generous gifts, cards and words of encouragement. They will resource us well in the ministry journey ahead.

Summer Holiday at Scargill House in the Yorkshire Dales

Once again a group of us from Knighton enjoyed the 'Summerfest' week with the Scargill House community in Wharfedale, Yorkshire. We have plenty of tales to tell so look out for an article in the next Benefice Magazine! In the meantime our ordinand in training, Cecilia Adjadje, has written to our PCCs and congregations following the generous donations that enabled the family to share this special holiday break:

My beloved brethren in Christ,

I want to take a moment and let you all know how much positive impact the Scargill holidays have made in our lives. We are more grateful than words can express. My children undeniably enjoyed every bit of their stay. Few people possess the considerable, loving heart that you have and even fewer people can give so much of themselves to give us the opportunity to have such great experience.

On behalf of Peter, Esther, David, Daniel and my humble self, we want to thank you for your support, loving kindness and the wonderful people that you are. I know I am blessed to have you all in my life and ministry. May God continue to bless and uphold you all.

Kind regards,

Cecilia and family.

Prayers for this week

“Devote yourselves to prayer, being watchful and thankful.”

(Colossians 4.2)

Praying for the world: Please pray that the current droughts and wildfires will open the eyes of decision makers and business people to the reality and impact of climate change. Pray too, for the protection and support of the people who are most vulnerable to the effects of global heating, in some of the poorest nations. Pray that as privileged neighbours we would be moved to help them directly and through changes to our own lifestyles.

Praying for the Church: Please pray for Bishops Martyn and Saju, and for all the Anglican bishops returning to their own countries after the Lambeth Conference. Pray that God will sustain and guide them, and grant them peace and rest, so that they may be able to serve all people, with grace, love and mercy.

Praying for the Parish: Please pray for the peace and well-being of all those who live on Craighill Road, Craighill Walk, Milford Road, Welford Road, Houlditch Road.

Praying for those in need:

Please pray for all those who are in need at the moment, those who are unwell in body, mind or spirit, and those who are anxious and worried. In particular please pray this week for **Diane Stockton, Peter Relph, John Orme, Doreen White, Margaret Roff and Judi Stone**

Pray as well for all those on our parish *'Continuing Prayer'* list, that they may know the power of God's healing love at work in their lives today. Also, give thanks for those who are recovering and who know God's peace.

Please remember those who have died recently and pray for their families and friends. We particularly remember **Joyce Geldard** as well as all those whose anniversaries fall at this time.
